Benefits of joining Ekonk Hill Turkey Farm, CSA

- CSA, or Community Supported Agriculture offers the opportunity to support local, family farms by becoming a member of the farm. Members buy into the farm at the beginning of the season and become partners with the farm in growing the food you eat.
- CSA members receive a **first priority** share of the farm's limited all natural pasture-raised poultry and meats in return for their investment in the farm.
- By supporting Ekonk Hill Turkey Farm you are supporting your local economy and benefiting the environment since your food does not need to be shipped from far away.
